Youth Legislative Day

January 14, 2004

Giving youth a voice in legislation!

What can youth do to have a voice in the legislative process?

To find out, join us for the sixth annual Youth Legislative Day. Youth are invited to learn about the legislative process, their role in how to change legislation, learn more about Indiana's pressing youth issues, and meet other youth who are trying to make a difference in Indiana. Both youth and adults can share in this learning process.

After the program, join us at the Indiana Statehouse to take tours guided by our Indiana Point of Youth Members and meet with your legislators to communicate your concerns about issues effecting Hoosier youth. Schedule a tour by sending your group information (size of group, contact person and information; time for the tour) to poy@cji.state.in.us

Cost for this event is \$5 per person which includes breakfast and lunch. Youth chaperones attendees are free of charge. You are responsible for transportation to and from the statehouse.

Who should attend this event? Anyone who wants to learn about the legislative process, high school government classes, concerned youth, involved community members, etc. Groups are welcome to attend!

Deadline for registration: December 15, 2003
Space is limited!

Event Agenda
